

6th January 2021

Dear Parents,

National School closures

In line with government guidance, Redbridge Alternative Provision will remain open to students during the national lockdown. Parents / Carers who decide to keep their children at home must email rap@nrhs.redbridge.sch.uk to request an interim leave of absence. For these students, RAP will provide remote learning, via Zoom. For our planning, it is essential that you inform us which of these options you have chosen. For students studying at home, we will be putting measures in place to ensure that students can still engage with the support they normally receive at RAP.

Work

All lesson will take place via Zoom. Invitations for zoom lessons will be emailed to the email accounts we used in November last year. Lessons will begin at 9.20am and finish at 2.15pm with scheduled lunch breaks. Further details will be posted on our website homepage at www.redbridgeap.co.uk. Students who are attending RAP will continue to follow a broad, balanced curriculum. They should attend at 9am and the day will finish at 14:15.

Any issues with IT/Subject specific please contact: charlesknight@nrhs.redbridge.sch.uk

Pastoral support

Each student has been assigned a mentor, the mentor will call students studying at home every morning to check in between 9am and 9.20am. During this session the student will have mentoring support and any issues will be picked up.

Any issues with mentoring please contact : micahwatson@nrhs.redbridge.sch.uk
